BLUETOOTH REMOTE

- 1. POWER ON**
Turn the power switch from OFF to ON. The blue LED will turn on and then start flashing.
- 2. PAIR**
Follow your smartphone's Bluetooth pairing steps to pair with 'HE150121'. The blue LED will turn off once successfully paired.
- 3. CAMERA MODE**
Put your smartphone into camera mode.
- 4. SAY CHEESE!**
Press the iOS or Android camera button to take a photo or video.

NOTE: If you have trouble taking photos or videos on an Android device, download the Camera 360 app from the Play Store. Once installed, press the 'Camera 360' button to take a photo

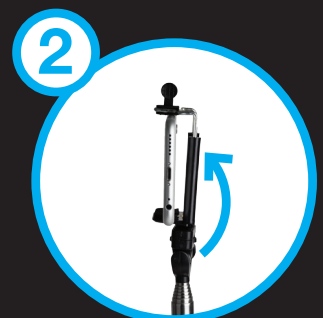

NOTE: Remote takes battery type CR2032 3V. Replacing the battery should always be performed by an adult.

SELFIE STICK

- 1. INSERT**
Using the pull tab, insert your smartphone into the selfie stick clip.
- 2. SECURE**
Angle the mobile as desired and ensure the mobile is secured firmly and will not fall out.
- 3. EXTEND**
Pull the ends of your selfie stick to extend to the desired length.
- 4. CAMERA MODE**
Put your smartphone into camera mode.
- 5. SMILE!**
Aim with your mobile and press your Bluetooth Remote Button to take a photo or video.

NOTE: The Selfie Stick is designed for use with a mobile phone only.

TRIPOD

- 1. UNCLIP**
Rotate the slider lock and press the release button to unclip the mounting plate.
- 2. INSERT**
Using the pull tab, insert your smartphone into the selfie stick clip.
- 3. SECURE**
Firmly screw your mobile to the mounting plate.
- 4. ATTACH**
Slide the mounting plate back onto the tripod.
- 5. GRIP**
Move the tripod legs until the tripod is securely mounted on your desired surface. Some examples of mounting positions are shown to the right.
- 6. SMILE!**
Aim the camera and press your Bluetooth Remote Button to take a photo or video.

HINT: The selfie stick mounting end can also be mounted on to the tripod.

DANGER if swallowed

WARNING: Keep batteries out of reach of children. Swallowing may lead to serious injury or death in as little as 2 hours due to internal burns. **If swallowed, go straight to a hospital emergency room.** Dispose of used batteries immediately.
