COCOON

FULL HD ANDROID MEDIA PLAYER
ULTIMATE ENTERTAINMENT HUB FOR YOUR TV

## GETTING STARTED GUIDE

1 **Unpack**
Unpack the contents of the packaging. Ensure you have all of the items listed below:

> 1 x Full HD Android Media Player
> 1 x Power Adapter
> 1 x Remote Control
> 2 x Activ Energy AAA Batteries
> 1 x HDMI Cable
> 1 x Manual
> 1 x Getting Started Guide
> 1 x Warranty Card

2 **Connect to Power**
Connect the power adaptor to a wall socket then connect the plug to the rear of the Full HD Media Player in the port marked DC + 5V. Turn on the power at the socket.

RESET AV   HDMI   LAN   DC+5V   USB

DC IN

3 **Connect to your TV**
Using the supplied HDMI cable, connect the Full HD Android Media Player to your TV. Connect the HDMI cable to the port marked HDMI on the rear of the Full HD Media Player and then to a port marked as an input on your TV. Ensure your TV is set to display HDMI input.

RESET AV   HDMI   LAN   DC+5V   USB

HDMI

4 **Remote Control**
Insert the included Activ Energy batteries into the remote control by removing the battery cover on the rear of the remote. Insert the batteries taking note of the polarity markings

## GETTING STARTED GUIDE

5 **Connect a USB Drive**
Connect a USB memory stick to either of the ports marked USB with your movie files that you wish to play. You can also transfer files directly to the 8GB internal memory of the Full HD Android Media Player (refer the manual for further details).

USB

RESET AV   HDMI   LAN   DC+5V   USB

6 **Home Screen**
Navigate to the movie player app by selecting Movies from the home screen. You can navigate using the directional buttons on the remote control and select the Movies option by pressing OK.

7 **Select USB Playback**
Use the remote to select 'uhost1' and navigate to the movie file you wish to play. Once you highlight the file, press "OK" on the remote to begin playback.

8 **Success**
You have successfully set up your Cocoon Full HD Media Player. For further information refer to the included user manual or visit www.winplus.com.au for advanced guides and information.
