# COCOON™
## BLUETOOTH® SPEAKER

# Getting Started Guide

## 1. UNPACK

Unpack the contents from the box
- 1 x Cocoon Bluetooth Speaker
- 1 x 3.5mm Audio Cable
- 1 x Micro USB Charging Cable
- 1 x Getting Started Guide
- 1 x Warranty Card

## 2. CHARGE YOUR SPEAKER

Before first use, it is recommended that you charge your Bluetooth Speaker for a minimum of 1 hour. Connect the supplied Micro USB charging cable to the Micro USB port on the bottom of the Bluetooth Speaker (this is covered by a rubber seal). Connect the other end to a spare USB port on your laptop, computer or USB wall charger (not included).

## 3. POWER ON / OFF

Press and hold the Power Button for 3 seconds to switch on or off.

Hold for 3 seconds to turn on and enter pairing mode

## 4. ACTIVATE BLUETOOTH SPEAKERS PAIRING MODE

While the Bluetooth Speaker is off, press and hold the power button down for 3 seconds. The Bluetooth Speaker will turn on and enter pairing mode automatically. The Bluetooth Speaker will give an audio cue "The Bluetooth Device Is Ready to Pair". When the Bluetooth Speaker has been paired to another device, the Bluetooth on that device will need to be turned off to allow another device to pair.
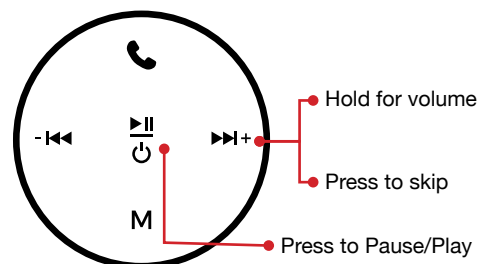

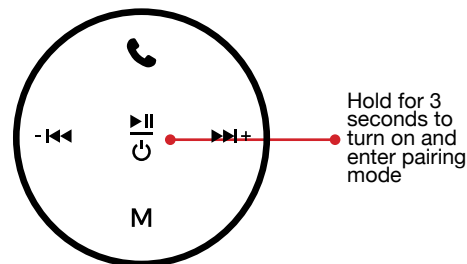

## 5. SEARCH FOR THE BLUETOOTH SPEAKER

Activate the Bluetooth feature on your MP3 player or smartphone. Search for the device "HE170611S" and pair as per your MP3 player or smartphone's instruction manual.

Bluetooth

Now discoverable as "David's Phone".

DEVICES

HE170611S

## 6. SUCCESSFULLY PAIR WITH THE BLUETOOTH SPEAKER

When the Bluetooth Speaker is successfully paired with your device the Bluetooth Speaker will give an audio cue "The Bluetooth Device Is Connected Successfully". Your MP3 player or phone will remember pairing with the speaker for future use.

## 7. START AUDIO PLAYBACK

Start audio playback on your phone or MP3 player. Control the volume and track playback using the control pad located on the top of the Bluetooth Speaker. To increase/decrease the volume, hold down the + or - buttons. To skip songs short press the ▶▶❘ or ❘◀◀ buttons. To pause music short press the Power Button.

Hold for volume

Press to skip

Press to Pause/Play
