COCOON™
BLUETOOTH® HEADPHONES

Getting Started Guide

Model Number: HE170611H
PLU: 59381
11/2017

1. UNPACK

Unpack the contents from the box

- 1 x Cocoon Bluetooth Headphones
- 1 x 3.5mm Audio Cable
- 1 x Micro USB Charging Cable
- 1 x Getting Started Guide
- 1 x Warranty Card

2. CHARGE YOUR HEADPHONES

Before first use, it is recommended that you charge your Bluetooth Headphones for a minimum of 1 hour. Connect the supplied Micro USB charging cable to the Micro USB port on the bottom of the right ear pad. Connect the other end to a spare USB port on your laptop, computer or USB wall charger (not included).

3. POWER ON / OFF

Press and hold the Power Button for 3 seconds to switch on or off.

4. ACTIVATE HEADPHONE PAIRING MODE

While the Bluetooth Headphones are off, press and hold the Power Button for 3 seconds. The Bluetooth Headphones will enter pairing mode. The Bluetooth Headphones will give an audio cue "Bluetooth Mode".

NOTE: *On first use headphones will automatically enter pairing mode.*

NOTE: *The LED will flash blue and green rapidly, when in pairing mode.*

When the Bluetooth Headphones have been paired to another device, the Bluetooth on that device will need to be turned off to allow another user to pair with the headphones.

6. SUCCESSFULLY PAIR WITH THE HEADPHONES

When the Bluetooth Headphones are successfully paired with your device the Bluetooth Headphones will chime. The LED on the bottom of the ear pad will be solid blue when connected via Bluetooth. Your MP3 player or phone will remember pairing with the headphones for future use. When the Bluetooth Headphones are playing music, the LED will flash slowly.

7. START AUDIO PLAYBACK

Start audio playback on your phone or MP3 player. Control the volume and track playback using the control pad located on the side of the right ear pad. To increase/decrease the volume, hold down the V+ or V- button. To skip songs short press the ►►I or I◄◄ buttons. To pause music short press the Power Button, press it again to resume.
