# Getting Started Guide

## 1. UNPACK

Unpack the contents from the box

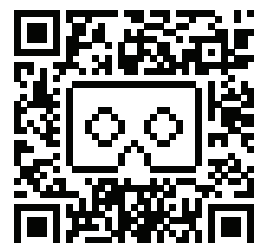

- 1 x Virtual Reality Headset
- 1 x Getting Started Guide
- 1 x Cleaning Cloth
- 1 x Warranty Card

## 2. ADJUST THE HEAD STRAP

Adjust the head strap to fit your head. It should be tight enough to ensure the Cocoon Virtual Reality Headset does not fall off your head. Ensure the padding at the back of the strap is sitting on the back of your head. Take off the headset.

## 3. DOWNLOAD GOOGLE CARDBOARD

Visit the iOS or Google Play store and download the Google Cardboard App. When asked to choose your viewer, scan this QR code to select the correct headset.

## 4. OPEN THE COVER

Open the front cover and remove the plastic sheet covering the reusable adhesive pad.

## 5. INSERT SMARTPHONE

Align your smartphone as shown in the image. The top of your smartphone should be closest to the magnetic button.

**NOTE:** If adhesive pad becomes less sticky, clean with a damp cloth (water only) and allow to dry

## 6. PUT ON THE HEADSET AND ADJUST LENSES

Place the Cocoon Virtual Reality Headset on your head and look through the viewfinder. Adjust the left and right lens position by moving the sliders forwards, backwards, left and right until the image comes into focus.

**NOTE:** Ensure the Google Cardboard app is running

## 7. EXPLORE

Enjoy your VR experience! There are countless apps, videos and games available for download and use with VR headsets online and in your smartphone's app store.
