

# COCOON™ KIDS NOISE LIMITING HEADPHONES

# SAFETY AND SPECS

## SAFETY AND CARE INSTRUCTIONS

### **WARNING: Strangulation hazard**

Children have been strangled by cords. Adult supervision is required when children use these headphones

## IN THE BOX

- 1 x Kids Noise Limiting Headphones
- 1 x Quick Setup Guide
- 1 x Carry Bag
- 1 x Warranty Card

## SPECS

**Speaker Driver:** 40 mm

**Sensitivity:** Limited to 85 dB

**Impedance:** 32  $\Omega$  @ 1kHz

**Frequency Response:** 20 kHz

## FEATURES

Cocoon Kids Noise Limiting Headphones have a restricted sensitivity of 85dB, making them ideal for children as they help prevent damage to young ears which can be caused by listening at volumes too high for too long. Fitting comfortably on the ear, they do not isolate the user from surrounding noise

- Single cable reduces tangles making them safer to wear
- Soft, padded ear cups hold comfortably and securely
- Flexible child-size headband
- Suitable for use with all 3.5 mm (1/8") audio devices

## QUICK SETUP GUIDE

### GETTING STARTED

#### 1. Unpack

Unpack your Kids Headphones from the packaging

#### 2. Adjust Headband

Slide the earcups along the headband to adjust the size to ensure best fit

#### 3. Connect

Connect the 3.5mm audio cable into your device's audio jack

#### 4. Folding

Once you have finished, your headphones fold for easy and convenient storage. Store in carry bag
