

Using the bluetooth selfie stick

How to pair your mobile device with the Bluetooth remote

1. Press the remote button for 3 seconds to turn the power on. A small LED light will flash to indicate pairing
2. Turn on Bluetooth on your mobile phone, search and pair with "SelfieCom"

NOTE: Make sure your mobile is visible to other devices for the first pairing

3. LED indicator will stop flashing after pairing has been successful

NOTE:

- The remote control will automatically shut down after 5 minutes if not paired
- The remote control will automatically sleep after 10 mins without any operation and auto shut down after another 10 mins if not used
- Long press the remote button to power off. The LED indicator will flash 3 times then the remote control will shut down

Using the Selfie Stick

1. 
2.  **Unfold the mount**
3.  **Open clasp**
4.  **Insert phone**
5.  **Rotate phone if needed**
6.  **Extend pole**

Using the bluetooth selfie stick
